

Hands on Autism: Practical Approaches for Professionals

- HANDS ON AUTISM has been designed to provide affordable, practical and experiential ASD specific training to teachers, therapists and classroom assistants.
- HANDS ON AUTISM was originally created by Claire Allen, Tam Bennett, and Reinette Lombard, who collectively have more than 20 years HANDS-ON experience in the field of Autism. It has now been updated and revised by Claire Allen and Vicky Lamb
- HANDS ON AUTISM is based on a combination of ASD approaches that are internationally accepted as best practice for ASD intervention.
- HANDS ON AUTISM consists of a combination of theoretical sessions and practical applications
- Maximum of 20 people per group of participants.
- **20 CEU points awarded for therapists**
- **15 CPD points for social workers**
- **10 CPD SACE Points for Educators**
