

This list has been compiled by Autism South Africa. The information supplied was obtained directly from the centres telephonically as they indicated they would be able to assist with placement of and services for individuals on various levels of the Autism Spectrum.

A;SA does not claim that this list is comprehensive, nor should this list be taken as approved service providers. It is imperative that when deciding on appropriate, beneficial service providers that you personally visit the school/centre and make an informed decision.

Referral to LSEN schooling should occur via your local district of education and A;SA encourages you to seek the Department of Education's assistance when looking for a school.

Please contact A;SA if you are aware of another school/centre to be added to the list.

For specific doctors/therapists/counsellors/psychologists in your area, please contact A;SA
